- FirstNet has now completed 23 State Governance Body Consultation Meetings with meetings in Kansas, Missouri, and Wyoming last week. Discussions at these engagements focused on the request for proposal (RFP) process, State Plans, the opt-in/opt-out decision and timeline, sustainability and coverage of the FirstNet network, the deployment process, subscription and device costs, and voice capabilities.
- Last week, CEO Mike Poth and Ed Parkinson attended the Western Governors Association (WGA) meeting in Wyoming. 10 governors, along with their senior policy advisors and Chiefs of Staff, attended, providing FirstNet the opportunity to discuss with them opt-in/out, revenue and rural coverage.
- Supporting tribal engagement, FirstNet staff joined the Maine FirstNet team to meet with several Maine tribal representatives in Indian Township, Maine. The meeting was attended by the Passamaquoddy and Penobscot Tribal Nations public safety, emergency management, and tribal leadership. Most of the discussion addressed coverage objectives, current communications challenges, and the variety of public state response capabilities and operations supported. The Passamaquoddy Tribal Governor/Chief also met with the delegation during the visit.
